## Kayak Hire Paddling Boundaries

Not permitted within 150m of the Mundoo Barrage

Not permitted beyond the end of Boundary Creek on the fresh water side

Boardwalk over to the Southern Ocean –  
approx 40 mins return walk

Important information for kayak hire:

- Do not paddle beyond the red lines marked on this map
- The yellow line is the permitted kayaking route – dependent upon your individual ability
- You are not permitted to enter the Murray mouth area under any circumstances as it is very dangerous
- Do not kayak in winds over 15 knots (when there are white caps on the water)
- Please be very careful of snakes in the rocks when lifting kayaks over the Boundary Creek Barrage
- Only paddle a distance that you can physically manage and remember that you have to paddle back that same distance
